Innovating Since 1938 | Manufacturing for Tomorrow

Harwal Group is a global manufacturing leader and the largest plastics converter in the Middle East, transforming over 200,000 metric tons of plastic and 20,000 metric tons of metal every year. With ISO 9001-certified operations and 28 business units, we offer world-class products and solutions across 40+ countries including the Middle East, Africa, Europe, and the USA.

Key Industries

- Building Materials & Systems
- Electrical Cable Management & Switches
- Pipeline Infrastructure
- Prefabricated Buildings
- Doors & Windows
- Cold Chain Transport & Storage
- Industrial Warehousing
- Consumer Plastics & Packaging
- Contract Furniture & Interior Fit-Out

Our manufacturing power is driven by four flagship companies: **TSSC**, **Interplast**, **Cosmoplast**, and **Intermetal**.

From infrastructure and construction to consumer goods and industrial solutions, Harwal delivers **quality, innovation, and sustainability** at scale.
